

Fox Run Kennels

North Dakota Training Trip

It's that time of the year again to think about conditioning, and preparing your dog for the fall hunting season!

This is a great opportunity for dogs to get in shape and have contact with hundreds of wild birds.

I will be doing two, three-week trips, with a week in between back at Fox Run Kennels.
First trip will be leaving end of July.

The cost per trip will be \$450.00. Discounts available for multiple dogs.

*In order for your dog to be secured a spot, a down payment of half must be received no later than July 1st. Remaining balance due when you drop off of your dog.

Please remember to label crates, in permanent marker, with name, address, and phone number.

A 40 lb. bag of dog food is required with each dog. I prefer to use Iams or Purina. If your dog is a barker, please send a bark collar with extra batteries. Treats welcome!

If you have any questions, feel free to call.

Fox Run Kennel
c/o Matt Eder
2657 Rainbow St.
Brook Park, MN 55007
